Fionnuala Kofoed City Recorder

**NOTES/COMMENTS:**

**RECOMMENDATION:**

City staff recommend that the Council approve a grant agreement with the Department of Defense for the Camp Williams Training Site JLUS implementation.

**BACKGROUND**

This agreement details the terms of a grant agreement with the Department of Defense for the JLUS implementation project. Eagle Mountain, along with representatives from other regional communities, Camp Williams, and the Utah Army National Guard, participated in the development of a JLUS. In partnership with a consultant team, and with financial assistance from OEA, the JLUS was completed in January, 2013. The goal of this implementation effort is to carry out recommendations from the JLUS that will ensure the public's health, safety, and welfare, and continue to recognize private land owners' current property rights, and ensure the continued viability of the mission activities on Camp Williams.
